

CHIMPANZEE  
SANCTUARY  
NORTHWEST

### **Our Mission :**

Chimpanzee Sanctuary Northwest provides lifetime quality care for formerly abused and exploited chimpanzees while advocating for great apes.

### **THANK YOU:**

*Providing the best possible care to the chimpanzees at Chimpanzee Sanctuary Northwest requires a team effort. Veterinarians, board members, volunteers, and our expert staff give their best every day to ensure the health and happiness of the chimps in our care. But none of this would be possible without you. Your support is what allows Annie, Burrito, Foxie, Jamie, Jody, Missy, and Negra to not just recover from their traumatic pasts, but to thrive.*

### **HIGHLIGHTS FROM 2015:**

- In the spring, volunteers helped build a new and exciting play structure at the top of Young's Hill, allowing the chimps to reach new heights.
- Over the summer, veterinary specialists from all over the northwest came to the sanctuary to provide dental care and cardiac evaluation for Burrito and to diagnose and treat an injury that Jamie sustained.
- In September we purchased the sanctuary property, which we had previously leased, to help ensure the long-term stability of the chimpanzees' home.
- Throughout the year, we trained under one of the world's foremost experts in Positive Reinforcement techniques in order to improve the chimpanzees' comfort and safety by allowing them to voluntarily participate in their own medical care.

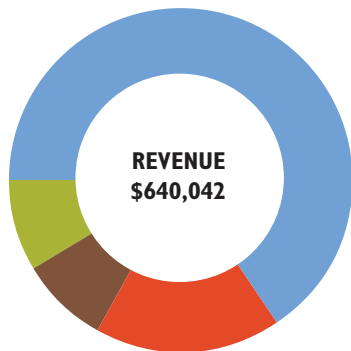

### **WHAT'S NEXT?**

Our goal for 2015 was to establish a solid foundation on which to build the future of Chimpanzee Sanctuary Northwest. Thanks to your generous support, we are now planning the next chapter of the sanctuary's story. We are now working on the **Bring Them Home** campaign to help more chimpanzees realize the hope, love, and home of Chimpanzee Sanctuary Northwest.

If you have questions, please don't hesitate to contact us.  
Thank you for your support!
