

SPONSOR CHIMPANZEE SANCTUARY NORTHWEST'S 2019 GALA!

What is HOOT!?

A pant-HOOT is a chimpanzee vocalization that starts out low and breathy and escalates into high-pitched sounds that erupt into a loud and wonderful full-on pant-hoot.

When do chimpanzees hoot?

Pant-hoots are saved for expressions of utter excitement, like when chimps arrive at fruit trees, join up with a pal or get honored with a generous sponsorship!

Want to cause a hoot? Read on...

Event Details

On June 15, 2019, 200+ caring and fun-loving attendees will gather at *Sodo Park* by Herban Feast in Seattle for a night of fun to celebrate eleven years of sanctuary for the seven chimpanzees at Chimpanzee Sanctuary Northwest and our progress towards expanding.

Guests will mingle during the happy hour where they will bid on a small number of silent auction items, play a game, and learn more about the sanctuary and the event sponsors (hopefully you!). Then the event will move to the lively second part of the evening for dinner, dessert dash, and live auction, which will include a slideshow again featuring HOOT! event sponsors.

About Chimpanzee Sanctuary Northwest

Chimpanzee Sanctuary Northwest is a world-class sanctuary that provides lifetime quality care for formerly abused and exploited chimpanzees while advocating for all great apes. Since 2008, the sanctuary has been home to Annie, Negra, Missy, Jody, Jamie, Foxie and Burrito – seven chimpanzees rescued from biomedical research.

Chimpanzee Sanctuary Northwest has been featured on numerous national and local television news shows, popular online media outlets, magazines and newspapers.

The sanctuary attracts loyal supporters who really love the chimpanzees and love to have a good time. We have a large following across the country, but not everyone can attend our event. Fear not – **your sponsorship generosity will be shared with all who follow us** - we will highlight your participation with our 30,000+ supporters through various media and online vehicles (see the following pages for details).

The 2019 HOOT! fundraising gala will raise funds for the direct care of the chimpanzees as well as our *Bring Them Home Campaign* for Expansion. We've completed the first phase of the expansion and are hoping to quickly build the next two phases, which will allow us to bring up to 15 more chimpanzees to the sanctuary. They need us! summer.
